PARTICIPANT INFORMATION

SCCS T.R.I.P., *Tuition Reimbursement Incentive Program*, is an easy way to reduce tuition cost and benefit SCCS. This program allows you to earn tuition assistance for yours or another family through your regular shopping habits or to benefit the SCCS PA Fund. The tuition credit will be applied to the following year's tuition and will be reflected on the first tuition statement for the school year. 80% of the profit of each purchase will go to the designated tuition account. The PA will retain 20% for fundraising.

The information you provide will be used to establish your account with SCCS TRIP and to contact you in the event there are questions about your order. We also use this information from you for delivery methods. Once made, these decisions will remain until you change them. Changes may be made by completing a new enrollment form. You will receive periodic news and information from the TRIP coordinators related to TRIP in the SCCS Weekly Newsletter.
